MONDAY, JULY 11, 1859

Several of the Damocratic candidates for of fice, many of the Democratic erators, and some of the Democratic editors are members of the legal in; and, when they assert that the "Con mon Law" gives protection to property in the Ter-ritories, or inflicts any punishment whatever for a plation of the rights of private property beyond a more civil redress, they eliber presume upon the ignorance and guilibility of the people, or manifest a shameful ignurance not only of the very organism of the federal government, but also of the nettled of the federal government, but also of the nettled law of tha lend. The "common law" inflicts just the same penalty upon negro stealers horse thieves, dec., in the Territories, as an Abelitionist or the aust be known to those who assert the contrary, or

eriminal cases." This question was again urous."

up in the case of the United States vs. Coolidge.

The circuit court for Massachusetta undertook to review the case of Hadam & Goodwin, and decided review the case of Hadam & Goodwin, and decided away between the going down of the sun and the reliant thereof. adversely to it. "The simple question (says Kent, name vol., page 335) was whether the circuit court the I gited States vs. Hudgon & Goodwin, or done all confirming to and reasserting this principle. inal Law," the subject of the powers and jurisdic- the full intention that it should be sen', to this State tion of the Federal Courts in criminal cases is ably to be used in the cause of villainy.

Congress made in pureuance of some constitutional lic honor and private respect. To elect such a man nuthersty." And section 18, same volume, he ational evotem; but an act of Congress has directed require or provide, shall be regarded as rules of legision in trusts at common law in the courts of night to asserted, we must lock to the State in which be controversy originated.''' Again, in the section 0, same volume, after staring the two questions let, whether common law offences can exist against

as there is nothing on the other side but the unsup-ported dieta of modern-abolitionized-squatter-sovreign-Douglas Democracy—this is deemed suffiratisfy every bosset inquirer after truth. That the Federal Covernment is one or mance powers, all know, that the granted powers alone can be exercised in a governmental axiom. If the power to punish common law offences has not been been power to punish common law offences has not been been power to punish common law offences has not been power to punish common law offences has not been power to punish common law offences in the power to punish common law offences has not been power to punish common law offences in the power to punish common law of the following the power to punish common law of the following the power to punish common law offences in the power to punish the punish the power to punish the punish the punish the punish the power to punish the puni et, her expressed in the Federal Constitution or in any statute of Congress, how and from what source do or can the Federal Courts axercise jurisdiction? Will some of the modern Democratic Solumons en-

We think that our friend Magodia, considere cting in view of the achievement of prospectiva political greatzess, has recently committed a very nerious blunder to abandoning his non-comm olicy la regard to squatter-sovereignty and hold y taking the ground that he would invoke civil was of protecting slave property in the Territories against infurinted and lawless abolition equatters.

given him some hints that he probably would have valued. The likelihood now is that the Charleston Democratic Convention, to avoid a collision between the equatur-sovereignty and anti-squatter-sover eignty sections of the Democracy, will adopt an ng erected, a man to match will have to be found and placed upon it. The man must be like the pla gift of continuance, if he had only perlagly remained where and so be was until within the last few days, he would probably have been, of all the Democration the country, the vary chap for Charleston use. He saight have got the nomination and then have had the squatter and anti-squatter arrewighty Democrats of the whole country, just as be recently had the equatter and anti-equatter acoverigaty Democrats of Kentucky, all ansevers

But Mr. Kagoffin, whether he knows it or not, or passion, the game that seemed likely to be playcunningly and beautifully in his behalf How are to do rash and silly things. Mac, in an ill started hour, permitted binnelf to be provoked or tausted or shamed by his elequent competitor into an abandonment of his dim, wagen, and half animitallightle position and into a plain declaration, that, rather than have the full and free operation of the squatter-sovereignty principle interfered with his Congress, he would gladly see the nation planned. are to do rash and silly things. Mac, in an illequatter-sovereignty principle interfered with he Congress, he would gladly see the nation plunged nto the burning and bloody abyes of civil war.

There is no telling what Mac might have been. Ah, those words "might here been" are said to be firmed by the following extract from the Postman among the saiddest in our language.

Pray, Mr. Mageffin, if you get no farious at people for merely applanding Mr. Bell in his close, what on earth will you do when they thim? You'll not mob them—will you?

PA. acquaintance of ours the other day received chage of alcutes marked "colored engravings."

What commentaries these New York and Washington and Francisco (Section 2014). What commentaries these New York and Washington 2014 and Washin Prov. Mr. Magoffin, if you get so furious sleet him? You'll not mob them-will you?

An acquaintance of ours the other day received a package of "ictures marked "colored engravings." Ha opened the package and found a collection of

ble and telling speech at Hardinsville on Saturday. Your readers have good reason to know that,

in 1851, when the govern nt of the Mexican war had continued to be mary considerable, tha Democratic organs charged been rumore that Col. Furney might be elected that the entire amount used under the Fillmore additional transfer of the House of Representatives. inistration was or had been fifty three millions by a fusion of the Republican and anti-Lecompton Democra'a, it has become ewfully jealous of the Democratic party to represent the expenditures as profilinguished and the appropriations gate and enormous, though all the appropriations but it can't gus Forney; Donglas may have the famours the work of a Democratic Congress.

rate and enormous, though all have error ware the work of a Democratic Congress.

The editor of the Louisville Democrat seemed aven more shocked than his fellows at what he called aven more shocked than his fellows at what he called a seistance. The States says of Mr. Douglas:

The dispensation of official pratronage, our rorsery will be a rival claimant. The nilk in the cocoa la thus made visible to the naked eye without telescopic assistance. The States says of Mr. Douglas: the monstrons amount of the government expendi-tures. He said: "The general government insite worth fifty-shree millions of dollars per year—there is nothing for it to do worth that sum amountly." Rather than have the nation pay fifty three millions a year, he was for abolishing the government. To avoid the said of the programment of the control of the said of the time the Union. Such are Ins congartons imposed upon acknowledged ive him, by the political pri which have animated tim through life, that fining his position in his recent letter, nothing or less was meant than that, if he could not entiously assume the leader-hip of the Demc in accordance with certain coditions im which anght be proposed, he would prefer ments destribly as an humble individual individual. beavy an expense, he was for having the Union which might be proposed, ha would prefer to conclusted the value of the Union and to four Reputhian form of government as lot be perfectly salished in his own mind that it was somewhere as the first part forth hy him about the same time, that he settled down upon about thirty millione as what he hought the utmost value of the government bequested to us by the glorious old fathers of the Republic.

Our neighbor has changed mervelously since those days. Under the present Democratic Administration nearly or quite a hundred million dellars a vest is expected, and he makes no commended the reaches and the dellars a vest is expected, and he makes no commended the reaches and the set is expected, and he makes no commended the reaches and the set is expected. what up title its original elements. Ha had as for atculated the value of the Union and of our Re-

dollars a year is expended, and he makes no com-plaint upon the subject. He thinks the expenditure all right, even though cut off remorselessly from his share of the money expended. He demands no positive of libugles fighting energetically for no trenchment and avowedly expects none. He matter who as a candidate, or defending a platform sedly looks for the expenses to be increased of principles whatever they may be, and the post confessedly location for the summander bisfull tion of Col. Forney, whose attitude looks similar, it made parfect conviction that the Democratic party, all respects, in that of the Senator from Illinois to which ha belongs, will continue for an indefinite | Yet the S ales expresses full confidence in one and be which has become, but, far from promising the least distributes the other so far as local the common, far from bolding out in behalf of his party out of the party. Nawit appears to us that as For the slightest promies or hope of pecuniary reform, he boddly tells the people, that, under the prospective rule of the Democracy, the present expendicular without perfect harmony and unity of tures, appalling as they are, will in all probability sentiment and action, and that, "if the members

go on increasing from year to year.

() or neighbor, eight years ego, had no doubt that or to measures and adjourn so disagreeing," there one fifty-three millions per year, and that the peopla should be left in a state of nature, but now be dismemberment which precludes reunion." it would pla should be left in a state of mature, and now to thinks that a bundred millions per year is none to be more politic to pay deference to the editor who much for the peopla to pay fur the luxury of gov-may be able to control the votes of Pennsylvania, arnment, and proclaims with all possible complacen- New Jersey, and New York than the Senator, who what point of magnificence and grandeur. We his antecretic power of reading folks out of his par shall not talk of abolishing the government, as he hat he is evid-utly untit to discriminate between de did eight years ago, upon the grand of it-costing grees of recusarcy if he ras erby the diffast defection or than it is worth, but we guess the people will too of Douglas and visits condemnation upon Former than the character in less than two years as to cost within the limits of its unquestionable | compton Democrats,

The Domocrat alleges that we once endorsed Senator from the Allestown district of Pennsylve Line Boyd's Suction as an applicant for an appointment under the government. This is certainly a

mistaka.

recollection of the circumstances, that we suppose to be referred to by the Democrat, is this: in 1848 than the Courch. or 1849, after Spelson had degraded and ruined bimself at Washington by the forgery we have Our darling little friend Piccolomini rasp mentioned, he changed his name, came out to Jeffersonville, a journed there for a time, won the
confidence of some of the citizens by his intellirence and correct directions. confidence of some of the citizens by his intelligence and correct deportment, and finally got up a petition for his appointment to some office. He applied to us to sign his petition, but we declined on the ground that we have no "commentaries, page 334, saye:

The lat vol. Kent's Commentaries, page 334, saye:

The come of the 1'S. we Madown & Condesia to use from respectable continues there are not to stop."

The come of the 1'S. we Madown & Condesia to use from respectable continues there are not to stop. The come of the 1'S. we Madown & Condesia to use from respectable continues there are not to stop. The control of applance, which lated several minutes and compelled the orchestra to stop." We are delighted to be rit, and when the rectives a copy of this paragraph marked, the will remember with delicious emotion the happy past. Adios, mile cara! "The case of the U. S. va. Hadeon & Goodwin brought this great question in our national juries prudence for the first time before the Sapreme Court thin, and again made application to us for our sigof the United States. The question then was whether the circuit court of the United States had a common law jurisdiction in cases of libel. A majority of the Supreme Court decidad, that the curcuit court could not exercise a common law jurisdiction in replacements of the court of the supreme Court decidad, that the curcuit courts could not exercise a common law jurisdiction in respectable gentlemen expensing a favorable opinion in regard to him. Its was soon found on

ted S area, which had not been preconcily defined, and a specific punishment affired by statute." "And," (concludes the author, page 33%). Hundra the a specific punishment affired by statute." "And," ikely he was one. Lian Boyd, on the contrary, concludes the author, page 338), "under the circumstant in the circum on-entity, as also a like and a lighty respectable man, and after writing the lying and infamous documents and after whiting the lying and infamous documents and after obtaining full knowledge of the Votrall, 2 Dallas, 384, same vs. Balcock, 4 Mc. fact that the thing written ass founded entirely up Loan, 113, & , and many others might be added, on the most afrecious of forgeries, he deliterately miscreant, with full permission to sund it, and with

Wa think all bonest and dispassionate men wil treated. He closes the 15th section with the following words. Therefore, we can have ro concur in saying, or at least in thinking, that any constitution itself or by acts of Saelson Andersoo effair is alike anworthy of pu

city of Louisville and Jefferson county will meet at the office of Hamilton Pope, Eq., on hifth street, your Jefferson, this evening at 5 o'clock.

on Saturday, Itaniel M. Jones in the Chair, an

Un motion of J. Calfus, the Representative nor

which resulted as follows: O. L. Curry, 10, Thus, P. Camp. 34 Rolt. H. McMurtry, S.

Mr tamp was thereupon nominated annuiformed the Convention that he declined the nominato her place by occlamation.

Bradley, and F Wright were placed in promination, and the first ballot resulted as follows: Jacobs 29, Sale 16, Bradley 5, and Wright 6 Blich agents of Sale 10, Bradley 5, and Wright 6 The numination of Mr. Jacobs was then made

ton appointed a committee to inform him of his In motion of Mr. II. Morton it was resolved that having nominated Mr. Jacobs we will elect him. The Convention then adjourned.

Cor Oer legislative tickets are now completed, Thomas P. Jacoba, E q , being the Opposition nomisse in the Third and Fourth Wards. Nothing re-mains now but to work during the ensuing three weeks to secure the saccess of the entire city and county delegation, which can be done if proper on ergy is exected. The importance of electing avery cardidate cannot be over attimated, and upon the result is Lusiaville may depend the political strength of both brancher of the in-relative. Company the or of the in-relative company the country. Every boy has his vacation now, but the editor is condemned to remain at his post and fight the political battle which is now enlisting every gallant beart in the commonwealth. After of both brancher of the in-relative company to the country. of both branchet of the Lagislature. Organize then in every ward and precise; let the candidates go on the stunap and depense the Opposition creed, and Two Men all will be well on the first day of August.

MOB LAW IN LINCOLN. - A Mon Hung .- Mr. Bickett, the mall agent on the Nashville Railroad. has given us the following particulars of the hanging of a must by a mob on Saturday morning before day light in Lincoln county. The man's name was Janper Etwaey. He was confined in jail at Stanford for murder, committed last winter, but had only been apprehended last Monday, and was then councel la jail. From eighty to a bandred men preceeded to the jail about 21/2 o'clock on Saturday ruing, took him out, and bung him half a mile

Euweev was a descerate character. Last winter one of whom, a young man named James O'dham, was killed. Rawsey then fled to Marion county. A reward of reveral hundred d diars was offered for the arrest. He was noted there for his continued outrages, but overybody soumed to be afraid of the

the robbary and was arrested.

rille blotel, to make arrangements for paying the last takens of respect to Mr. James Garvin, was largely attended, and embraced many of our promior nt business men, bis associates for many years. The proceedings are published in another column. The remains will be received this morning and the tuteral will take place this evening at four o'clock ((t) b are not ti-d to unite with the citizens in

parry has adopted the mutual plan of business, a plan that connot fail to meet the approval of the public. We are glad to see a company to respectable, and a gentleman so popular as Mr. Muir, pracical'y carrying out this very desirable referm in

We had the please of a vi to on yesterday from

The Jeppensonville Railboad—Its Connections and Its Jespen of a viti on yesterlay from the centers at Legisville. It afferds the most important that centers at Legisville. It afferds the most important that centers at Legisville. It afferds the most speedy mode of going East, West, North, and (so long as the Nash-ville Railroad is not completed) even South. By it we receive all our Eastern and Northern mails. The Jaffernouville Railroad to Creatine, and two from Seymour by the Othe and Ministrippi Railroad to Cincinnati. It has also four daily Western and two Northern and Southern connections by the Othe and Ministrippi and the reads running out from Indianapolis.

Passengers leaving her at 10 o'clock at night for Indianapolis, and then taking the Bellefontaine road to Creatine, reach Philadelphia in 36 hours, on the record morning at 10 o'clock. The same can be done by the Othe and Ministrippi and the reads running out from Indianapolis and the rail of the Castline, reach Philadelphia in 36 hours, on the record morning at 10 o'clock, and can take the night train from that city for the East. And the lift A. M. train connectes at Indianapolis again with the Eastern train.

To St. Louis and Cairo its connections are even to St. Louis and Cairo its connections are even to St. Louis and Cairo its connections are even to be seen to may be properly about 10 the supplies that the one of the cannel, Irrained the morning reach Cincinnati at I o'clock, and can take the night train from that city for the East. And the lift A. M. train connectes at Indianapolis again with the Eastern train.

To St. Louis and Cairo its connections are even to the connection are even to the con

course marking and children that city for the liast. And the 13 A. M. train connects at Indianapolis again with the Eastern train.

To St. Louis and Cairo its connections are even more unmerous. Passengers can go to St. Louis with the Orio and Mississippi in 13 hours, and also to Cairo twice aday, or they can go via the Indianapolis and the Terre Haute railroad.

To Chicago and other Northwesters cities the Jefferson will be offers as aspeedy communication as any other road. We are assured that passengers can go to St. Louis apolis and the Terre Haute railroad.

To Chicago and other Northwesters cities the Jefferson will be offers as aspeedy communication as any other road. We are assured that passengers can go to the formation of the first time to connect with the 8 A. M. train, if over four hours at Indianapolis, and thenreach Lafayette in time to connect with the 8 A. M. train from making are arranged so as to connect there without daisy with those on the L xington and Nashvilla roads, both going and returning.

Some irregularities have existed in the omnibus lines careyang passengers to and form the depot and in the running of the ferry boats. These have been corrected. The omnibus line is now in charge of Kaan, O'Baunco, & Co., who give full astifaction.

Dr. Crethers, the esperintendent of the Jefferson of the passenger o

Little. We dare may it could not have been entrusted to one more capable and popular, ur one more excepted and popular, ur one more excepted to stay at home.

Our city, and many of our citisens, independent of the business and travel the Jeffersonville railroad brings here, are pecuniarily interested in it. It was by their aid that it was built. They own a large amount of clock in it, and by giving it their empport they put money in their own purses.

Mississirri State Ticket.—The Democratic Convention of Mississipp assembled at Jackson on Monday last. The nominations resulted as follows:

For Governor—Hun. John J. Petins, of Kempersonalty.

For Anditor—E. R. Burt, of Noxibee.

For Treasurer—Mr. H. ynes, of Yazoo.

The balleting for Governor was close between Mr. Pattas and Cal. Cushmen, Mr. Peltins getting the somins, no on the ersont ballet.
